

New Source Review newspaper advertisements for construction permit applications, July 12, 2007. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: July 10, July 11, or July 12, 2007. Public notices are generally published every two weeks. The previous publication of public notices was June 28, 2007.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Oak Grove Gin & Warehouse LLC with a mailing address of 1605 Hwy 222, Somerville, TN 38068. They seek to obtain an air contaminant permit (Division identification number: 24-0010-01/61032) for modification of a Cotton Gin located at the same address. This existing operation consists of gin stands, lint cleaners, and associated equipment used to de-seed cotton. Cyclones and mesh screen are used for pollution control. The requested modification is to increase the allowable annual bales of cotton processed. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Mr. J. Fuss is the assigned Division person.

For the Fayette County *Fayette Falcon* -- published once on or before Thursday, July 12, 2007.

---

The applicant is Prime Seating Company, LLC. with a mailing address of P.O. Box 338, Lawrenceburg, TN 38464. They seek to obtain an air contaminant permit (Division identification number: 50-0087-01/60806) for construction of a Surface Coating Operation located at 2130 Pulaski Highway/Highway 64 East Lawrenceburg, Tennessee 38464. The proposed operation would consist of spray booths and associated equipment used for wood finishing. Exhaust filters would be used for pollution control. There would be physical construction. Mr. Jim A. Attar is the assigned Division person.

For the Lawrence County "Democrat-Union"-- published once on or before Thursday July 12, 2007.

---

The applicant is V & W Ready Mix Concrete Co, Inc. with a mailing address of 107 East 4<sup>th</sup> Street, Hohenwald, TN 38462. They seek to obtain a modification to an air contaminant permit (Division identification number: 51-0010-

01/61017) for a Concrete Mixing Operation located at the same address. The requested modification is to increase production from 10,000 to 30,000 cubic yards of transit mix. Regulated air contaminants are emitted by this source Mr. Jim A. Attar is the assigned Division person.

For the Lewis County "Lewis County Herald"--published once on or before Thursday July 12, 2007.

---

The applicant is Smurfit Stone Container with a mailing address of 700 Garrett Parkway, Lewisburg, TN 37091. They seek to obtain an air contaminant permit (Division identification number: 59-0056-05/60621) for construction of 131,000 Lbs Capacity Bulk Starch Silo, located on 700 Garrett Parkway, Lewisburg, Tennessee 37091. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. Regulated air contaminants would be emitted by this source. Mr. Jim A. Attar is the assigned Division person.

For the Marshall County *Lewisburg Tribune* --published once on or before Thursday July 12, 2007.

---

The applicant is Griffin Industries with a mailing address of P.O. Box 727, Union City, TN 38281. They seek to obtain an air contaminant permit (Division identification number 66-0094-01/60884) for modification of a Rendering Plant at 2027 River Road, Union City, TN 38281. This proposed modification would consist of the removal of operating hour restrictions. Chemical oxidation is used for odor control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. J. Swinea is the assigned Division person.

For the Obion County *Union City Daily Messenger* --publish once on or before Thursday, July 12, 2007.

---

The applicant is Infinity Spas, Inc. with a mailing address of 2212 Buffalo Rd, Johnson City, TN 37604. They seek to obtain a modification of construction permit 959374P (Division identification number: 90-0281/61028) for a fiberglass spa tub manufacturing operation located at the same address. The manufacturing operation includes spraying molds with resin, fillers, fiberglass, and foam fitting. The requested modification is to change materials used at the facility. Volatile organic compound emissions would be reduced. Mr. Doug Warden is the assigned Division person.

For the Washington County *Johnson City Press* --publish once on or before Thursday, July 12, 2007.
